Australian Mineral Therapy

An important aspect of naturopathic medicine, Mineral Therapy as a modality was pioneered by Australian naturopath Maurice Blackmore in the 1930s. This practical one-day workshop will enable you to confidently prescribe Mineral Therapy to enhance your clinical practice.

Key benefits:

- **Complements other modalities**
- **Addresses the cause, not just the symptoms**
- **Is well tolerated and non-toxic at the prescribed dosage**
- **Is an inexpensive and effective modality that encourages patient compliance**
- **Useful for both acute and chronic conditions**
- **Has almost 80 years of empirical experience**
- **Is suitable for babies, children, pregnant and lactating women and the elderly**

MINERAL THERAPY IN ACTION!

PRESCRIBING STRATEGIES WORKSHOP

WITH
DR.PAULINE ROBERTS
PhD BSc DBM

PLUS BONUS SESSION ON PAIN MANAGEMENT

FOR HEALTHCARE PROFESSIONALS

PRESCRIBING STRATEGIES USING MINERAL THERAPY CAN ENHANCE YOUR CLINICAL PRACTICE!

SEPT-OCT 2012

Whether attending to refresh your Mineral Therapy skills and experience, or as a healthcare professional new to Mineral Therapy, this workshop will enable you to confidently prescribe this highly effective modality.
Prescribing Strategies using Mineral Therapy will be presented with the use of various case histories as well as core actions and indications for each mineral.

The seminar includes how to:

- tailor a prescription to an individual rather than a disease
- refine the prescription by the use of body signs including iris, tongue and nails
- prescribe the optimum dosage for chronic and acute conditions
- incorporate dosage strategies and regimes for short and long term treatments
- combine Mineral Therapy with herbs, homeopathy and other nutrients
- incorporate effective clinical solutions.

All attendees receive over $150 value:

- The NEW Mineral Therapy Prescribers' Reference - Wholesale value $39.94
- Product
- Body Signs Chart
- A3 Quick Reference Chart suitable as a wall chart
- NEW A4 Quick Reference Chart
- NEW A4 Herb and Mineral Companion Chart
- Referenced course workbook & Product Guide Book
- Healthy lunch, morning and afternoon tea
- Certificate of attendance and CPE points*

* Please confirm with your professional association

PLUS A BONUS SESSION WITH A FOCUS ON PAIN MANAGEMENT

With pain management there is an increased demand on the body's resources and minerals play a key role in optimum healing and repair. Minerals may assist not only to alleviate pain but at the same time may address some of the deeper causes of the condition.

Dr. Pauline Roberts PhD BSc DBM

Pauline practices herbal medicine, mineral therapy and nutrition from her clinics based in country New South Wales (Quirindi and Inverell). Originally a research scientist, Dr. Roberts has degrees in applied chemistry and physics from Cambridge University, majoring in medical chemistry and toxicology. A growing understanding of the holistic nature of the body's processes motivated Dr. Roberts to study herbal medicine and nutrition rather than conventional medicine. In private practice Dr. Roberts combines her biochemical and natural medicine education and experience to assess interactions and mineral depletions to recommend solutions for her patients.

Testimonials

"FANTASTIC! Absolutely loved Pauline's exuberance, knowledge and passion. Wanted to hear more! Thank you for a very, very relevant seminar." Naturopath, Sydney

"One of the best presenters ever" Naturopath, Hobart

"Excellent. Best lecture I've experienced for a while. Essential, basic and logical information. Thank you." Naturopath, SA

"Dr. Roberts is excellent and a very knowledgeable speaker. Please come back." Pharmacist, WA
